 Props Pickup	Collect 2 hoops & 20 balls from Admin / Gift Counter
 Need Help?	Go to the Admin / Gift Counter for any doubt or on-spot guidance

1 STALL OVERVIEW

1.1 What Is Pick N Panic?

Pick N Panic is a fast-paced swapping challenge. Two hoops start out with their own matching coloured balls, and the player must race against the clock to completely swap every ball into the opposite hoop, one pair at a time.

1.2 Objective for Players

Swap every single ball so that each hoop ends up holding only the balls that started in the other hoop, before the time limit runs out.

2 PROPS NEEDED

2.1 Equipment Checklist

Item	Qty	Notes
Hoola hoops (different colours)	2	Each hoop starts with its own matching coloured balls
Balls	20	2 colours, matching the hoops (10 of each colour)

PROPS PICKUP

All props for this stall must be collected at the Admin / Gift Counter at the start of the Fest.

3 GAME SETUP

3.1 Setup Steps

1. Place both hoops on the table with their corresponding coloured balls inside (10 of each colour, matching hoop colour).

4 HOW TO PLAY

4.1 Play Sequence

1. Player pays 30 Tokens at the stall counter to begin.
2. Volunteer starts the stopwatch as soon as the player begins.
3. Player picks up one ball from each hoop at the same time and swaps them, placing each ball into the opposite hoop.
4. Player repeats this action until every ball has crossed over into the opposite hoop from where it started.
5. Standard time limit is 1 minute.
6. Volunteer calls time and checks whether every ball has been correctly swapped.

RULE OF THUMB

A ball only counts as swapped once it fully rests in the opposite hoop from where it began.
Balls must be picked up simultaneously, one from each hoop, and swapped as a pair each time.
The game is only complete once every ball has changed hoops.

5 POINT DISTRIBUTION

5.1 Standard Scoring

Condition	Points
All balls correctly swapped within 1 minute	3 points

If the balls are not fully swapped within the time limit, no points are awarded under the standard rules.

6 KID'S CONCESSION

6.1 Who Qualifies

This concession applies only to participants with the extension 'C' on their Wrist Tag.

6.2 Concession Rules

Rule	Detail
Time Limit	1.5 minutes (extended from the standard 1 minute)
Scoring	2 points if only 1 or 2 balls are left unswapped at the end of the game

CHECK BEFORE YOU START

Always check the player's Wrist Tag for the 'C' extension before applying Kid's Concession timing and scoring. Without the 'C' extension, the standard rules in Sections 4 and 5 apply.

7 SUPPORT & ON-SPOT GUIDANCE

For any further doubt or on-spot guidance, volunteers and players should go to the Admin / Gift Counter.
